LAND PRESENTED COLORED CENTER

A tract of land has been given to the colored home mission workshop and Community Center by Mrs. Frank Jenkins, who has accepted a place on the board of trustees of the center.

Donations are being received for a new building to be erected on the lot. The building will not exceed \$500 in cost, to comply with government war time regulations.

A gift of a piano has been received from Mrs. H. N. Carrier of Rockbrook, and Jos. S. Silversteen has contributed additional items to the center.

Johnnie Mae Kilgore has taken charge of the nursery at the colored center. She has recently completed a course of study at the defense workshop in Greensboro.
