

MAINTENANCE CREWS of the Town of Brevard are pictured above clearing the vacant lot opposite the Bethel A Baptist church which will be used as a playground area by the colored citizens of the community. This property was secured for this purpose from Roy Whitesides by members of the church of which

Rev. Sam Raper is the pastor. According to Town Manager Tom Henry, the town is desirous of making other unused areas in various remote sections of Brevard into playgrounds. Citizens having such lots, which would be available for a year or two, are asked to contact Mr. Henry.
