

## **CAMPING AS A FAMILY!**

We arrive at our campsite,  
Feeling happy, feeling free.  
Then we set up our tent,  
Together as a family.

Then I cozy up,  
With a good book.  
Dad starts the fire,  
And mom starts to cook.

We sit down to eat,  
The sky starts to dim,  
My heart is filled with joy,  
filled to the rim.

After dinner,  
with our bellies full,  
We sit around the fire  
Our conversations never dull.

After a while,  
It's time for our treat!  
Roasted Marshmallows,  
Mm! That's hard to beat!

Once it's time to go to bed,  
We bundle up tight.  
It's been a family Adventure,  
And it's only the first night!
