

2024 Elementary School Winner: Willow Letter

Kindness

It doesn't matter where you end up
Or how you got that way
You can always carry kindness
and spread it throughout the day

You can simply smile
Or just wave hello
Because kindness is fun
And easy to show

Dogs, cats, pigs, and goats
They all share kindness too
Because kindness is for everyone
And it's not that hard to do

You may have had a rough week
Or had a really bad day
But try to push that aside
And live life the kindness way
