

## **2024 High School Honorable Mention: Wendel Darity**

### **Better Be Kind**

Better Be Kind  
Get it in your mind  
Eye for an eye and the world would be blind  
Stop at the stop sign  
Before you have to pay a fine

Just be courteous  
and everything will be alright  
Do nothing out of spite  
Stick together and do right

Be good to your fellow people.  
Help them out, do no evil.

Pay attention  
line for line  
live your life  
and remember to be kind  
ALWAYS  
before you're out of time.
